Your support of the Audubon Miami Valley Bird Seed Sale is essential to the success of our educational programs and scholarships. We send area educators to Audubon Eco-Camps and fund afterschool Audubon programming for area school children.

You’ll also ensure the survival of birds over the winter and have many hours of birdwatching pleasure in the comfort of your own home!

Please order by October 10, 2019! Keep this portion of the brochure as a reminder of the pick-up dates.
Seed ordered after the deadline may be limited. If you have questions about the seeds and mixtures being offered, call Marlene Hoffman at (513) 461-9639.

1) BLACK OIL SUNFLOWER
Our most popular item. More energy per pound than the striped variety.

2) SUNFLOWER CHIPS
Many prefer these to avoid the litter of the hulls. Highest energy per pound.

3) SAFFLOWER
The squirrels are not interested, but once the Northern Cardinals try it, they like it! So do the Mourning Doves. Start feeding this along with sunflower seed.

4) WASTE FREE MIX
Sunflower hearts, millet and safflower. No hulls!

5 & 6) PREFERRED DELIGHT
White millet, milo, oil sunflower, wheat, safflower.

7 & 8) ULTIMATE FOREST MIX
Contains white and red millet, oil sunflower, striped sunflower, safflower and milo.

9) NYJER “THISTLE”
A great favorite of the American Goldfinch and Pine Siskin.

10) PEANUT SUET CAKES
Favored by woodpeckers, chickadees, and nuthatches.
